XtremeMac™

Made for iPod

Micromemo™

Micromemo digital voice recorder plugs right into your iPod nano to capture memos, meetings, lectures, or any audio content directly to your iPod. It matches the new iPod nano perfectly with its slim profile and sleek finish. Micromemo captures audio through its flexible, detachable microphone. It is simple to use and doesn't require any software. Micromemo also features a built-in speaker for instant playback and includes a line-in for recording from other sources like your computer, a soundboard or other microphones with a 3.5mm plug.

PRODUCT FEATURES
